I should have specified that the Presidential Inaugural Committee (different from the Transition Team) requested the headshot.

I know nothing of the new headshot that was taken. Do you have a POC for who took the headshot that I can pass along to my contact on the Inaugural Committee?

I am confused here. They took a new headshot when we went to Washington the first time. Can you confirm which one they want?

The Transition Team is requesting a high resolution headshot of NH to be used during Inaugural Week. Please forward the file to me as soon as you can.

Thank you.
