Thanks to Duke Energy for donating \$75,000 to Cheraw State Park to help renovate the “House on the Hill.” Nearly every family in Cheraw has been to this building for a wedding, a business meeting or a family reunion over the last 80 years. We want to make sure that tradition continues for future generations! Pictured here (left to right) are Phil Gaines, SC State Park Director, Mindy Taylor with Duke Energy and Cheraw Mayor Andy Ingram.

**Mary H. Tobey** Support your local green spaces.!

**Patty Reed** That's so nice for those people, now if they'd like to share more wealth and lower our power bills I'd really be impressed.
