Subject: School Transportation Decentralization Study Committee Meeting - Thursday, November 15, 201

This is a reminder that the next meeting will be Thursday, November 15, 2012, at 1:00 PM, 105 Gressette Building, primarily (as discussed in the previous meeting) to discuss/review information requested, and to hear from the public. It is anticipated that the meeting will last approximately 1 ½ hours and the agenda may include, but will not be limited to the following items:

- Review of SC Department of Education Information
- Public Testimony (*See note below)
- Other Items may be added

*Anyone wishing to provide public testimony should please contact Sally Cauthen [as soon as possible](mailto:sallycauthen@scsenate.gov), at 803-212-6252 or sallycauthen@scsenate.gov. Speakers should plan to keep their remarks brief (3-5 minutes), and to provide a copy of their remarks to Sally (electronic is preferable) – or if have a meeting handout, bring sufficient copies to distribute (15). Speakers may wish to present information on potential costs/savings of decentralization, or other input that will assist the committee with its work. So that the committee may hear from as many perspectives as possible, individuals or representatives of various groups having similar remarks or information are encouraged to collaborate and designate one speaker to represent them. The committee will hear from as many people as time allows, so please take this into consideration if traveling.

Please let me know if you have any questions or require any additional information.
