## Welvista Is Now Available

The Benefit Bank (TBB) now supports the Welvista Medication Assistance Program (MAP), which provides access to prescription medication for South Carolina residents under the age of 65. TBB assesses eligibility, populates the application, and provides instructions for submitting the application by mail or fax to the Welvista program. The module is a stand-alone section accessed on the main client home page.

For more information, access the SC Benefits Manual located on the Training tab of the Counselor Portal.
