I mailed in the original registration forms for Holly, Haley, David, and myself. Austin's form can be mailed in with the check.

Attached is the CLE information – is this sufficient for an invoice?

I have to have an invoice to process this or some documentation stating registration price, organization, etc. Once I have that, I can get a check.

Halti, Can we get a check for this for \$540 made payable to SCAC. Becca has already mailed in our registrations, but we need to follow up with a check before next Friday. Thanks! Holly
