Subject: Unions Poised to Defeat Walker

Please read this message from our sponsor, **The Wisconsin Recall Action Fund** .

This is an action alert for those following the race to defeat Governor Walker.

I wrote to you about last month and warned that the race to defeat Governor Scott Walker was becoming more competitive. But now we have further evidence that the vast sums of money that the Union bosses and Democrat national operatives are spending against Governor Walker are taking their toll.

In a poll that was released last week, **Governor Walker is now down 4 points** to liberal millionaire Democrat Mary Burke.

Here are the details:

1,170 Likely Voters in Wisconsin were polled with a margin of error of +/- 3 points. The survey showed that among Wisconsin Women, Governor Walker is polling at only 39%. Among Wisconsin Men, Governor Walker is polling at 49%.

What that means is that the barrage of negative attack ads run by the national Democrats and the Big Labor bosses are taking their toll on Governor Walker's campaign.

You may have also seen the explosive comments that Democrat National Committee Chairwoman, **Debbie Wasserman-Schultz** said last week that Governor Walker is giving women "the back of his hand."

Democrats know that that if they can keep up the false narrative of Governor Walker's War on Women, they can defeat a national conservative leader. It was not by accident that Wasserman-Schultz said those horrible things. **Make no mistake ... it was calculated and direct.**

I know you get lots of emails all over the country asking for your support. But I write to you only when I think I need to. And now I need your help more than ever.

Governor Walker is a national conservative icon and the Number 1 target for liberals and Unions everywhere. That's why millions of dollars of liberal money is flooding the Wisconsin airways – destroying Governor Walker's good name.

Will you please show your support and our strength by sending your most generous contribution of \$5,000, \$1,000, \$500, \$250, \$100, \$50, or even \$25 today?

We cannot do this alone. All of us together can beat back the Unions once again.

Don't let this race slip away.

Sincerely,

Greg Langhaim
Treasurer, Wisconsin Recall Action Fund
