Haley - Senator Leatherman is out of town today and our staff is scattered at numerous meetings. If acceptable, could Lisa Catalanotto stand in the back of the room at today's briefing to take notes? We can then brief Senator Leatherman and the other members who will call asking about the meeting.

As you are aware, Senator Leatherman has appointed a Special Committee of the Senate to receive testimony on the flood response. While the date is not firm yet, I expect we will meet next Wednesday at 10:00. Once the meeting is confirmed, I will let you know.

Thanks, Mike
