DEAR GOVERNOR HALEY,

I'm please Requesting for us mentally ill inmates who have A life Sentence And have DONE OVER 25 YEARS OR MORE ON IT And NEVER had Any pending Charges NOR NEVER BEEN IN trouble with the law Before, Could You please give us Another Chance to prove ourselves To Be law Abiding Citizens of South Carolina Again, I have A High School Diploma, I have took every Class SCOE has to offer me for Rehabilitation, But they Dont have Any more to offer us After we have our high school Diploma, I Remember your first State of the State address And you gave us hope you stated you were ~~gon~~ going to send MR BYARS to SCOE TO clean it up, But now It seems you have also turned your Back ON us, Also I'm please Requesting that you Allow at least two SCOE employees to Appear with us inmates At our Parole Hearings so they could at least let these strangers on the parole Board know our Character And it would help get us out of here, They Just see our Records for over 30 years or more But Dont know how we now think And feel, most of us did these crimes when we were children, mines happen at 22 years old I'm now 50 years old And I'm still in here, I would like to get out and visit All the Schools in District one to tell the youth to not Throw their lives Away, Also the Boys & Girls Clubs, Churches Parks Ect, Ect, I feel this would deter some young

Hopeless Boy or Girl to not commit crimes to deal with
their pain, Also I would like to be a S.C. Prison Reform
lobbyist for South Carolina, Governor Haley please don't forget
us people inside your prisons here in South Carolina

Thanks

&
God Bless
