Subject: Golfbreaks press release at 1:00 PM

Brian,

Attached is the final version of our Golfbreaks press release, which we're targeting a 1:00 PM distribution for in conjunction with their local announcement event this afternoon. Just a heads up, the company wants to be referred to as "Golfbreaks.com" throughout the press release, so we edited the Governor's quote to reflect the correct name.

Let me know if you need anything else!
