Dear Bar. Haley,

I am writing you because I can't get anyone to hear or respond. My daughter, Scarlet Renee Gillespie is in Pickens, S.C. L.E.C. She is in there for Bench Warrants for not showing up at her Court Date. She has NO Bond and she has a Court Date of Sept. 2016. The thing is, she did show up for her Court Date and they told her she was not on the list that day. She was dropped off so she had to walk home, which was not close by no means. At the time she was on GPS for House Arrest. We got Eagle Eye to show Print out to prove she did show up. They still won't let her out until her court date in Sept. She is in ROD F-1 which if you will look

online for the Greenville news you
will see the Article about how overcrowded
the Pickens L.E.C. is and the conditions
there. She will be going back on house
arrest when she gets out and she will
be there for her court date in Sept.

Please do what you can for her. She
don't mind doing what she has to for
what she has done in the past, but
she is incarcerated falsely this time.
