Subject: Channel 4 News request: Governor Nikki Haley

Hi there,

I work at Channel 4 News, Britain's leading news show. I was wondering whether Governor Nikki Haley is available to speak to us regarding the tragic murders that took place at the Emmanuel AME Church yesterday. We were hoping the Governor might be able to talk to us about the impact this event is having on the local community and the way local services are dealing with the aftermath and manhunt.

I understand that the Governor will be very busy today but we would really like to speak to her on our show. Our programme airs at 2pm local time (7pm UK time) and we will have a team in Charleston who will be able to meet the Governor and film the interview live with our presenter Jon Snow here in the London.

My phone number is (+44) 7584 339378 - feel free to call whenever.

Here is some more information about our programme. Channel 4 News is the UK's leading nightly news show having won more awards recently than any other British news programme (including BBC, Sky and ITV) - including the International Emmy for two years running. We have a reputation for talking to leaders and opinion-formers and count Hillary Clinton, Angelina Jolie and Noam Chomsky amongst some of our recent interviewees.

Many thanks,
Rebecca
