Dear Governor Haley:

I would like to cordially invite you and Captain Michael Haley to be the guest speakers for the Hilton Head Memorial Day Ceremony, at the Shelter Cove Veteran's Park. You may not recall, however I spoke with you and Katherine Veldran last fall when we were at the Cherichella's in Wexford.

I think you and Michael are the epitome of American democracy, you as the civilian head of the state government and Michael serving proudly in our state's National Guard and deploying overseas.

I am presuming that possibly the Haley family would be taking a break for the holiday weekend on Hilton Head, with Michael's parents and therefore this would be convenient for you.

The event is scheduled for 11AM on Monday. Thank you for your consideration and hope you would both be available. Please note that we would want to hear from both of you on this most sacred occasion. Please also note that I presented you last year with a membership to the Navy League for your great support of the military and the maritime services. See photo below.

Possibly we can discuss this next week when you are in Hilton Head and Wexford for the First Gentlemen's Outing and the Heritage.

Sincerely,

Richard (Dick) Foster  
Area President, South Carolina
