Subject: RE: Checking...

---

Quote from Haley press secretary Chaney Adams, "That is something only the legislature can do. They are welcome to take that up next year if they so choose- but right now the governor is focused on healing the families and the state and believes the legislature should focus on removing the flag from the Capitol grounds."

Subject: Checking...

On my request for a comment on DMV and the flag plates.  
Please text or email me an update.  
Thank you
