Hi Chaney,

Thanks so much for taking a few minutes to speak with me. To reiterate, we would love to schedule an interview with the Governor in the coming weeks. We're happy to travel to South Carolina or meet up in DC or NY should she be traveling here any time soon.

Essentially, we're looking to talk about Mr. Trump's win and what it means for the state of the GOP party. What obstacles does she foresee Mr. Trump will have to overcome? What does she think should be at the top of his agenda? As more time passes, it's likely we'll have more information on his administration appointments so we'd want to get her opinion on those as well.

Apologies for the last minute request today. We did not realize she would be in DC!

Let me know if you see any time open for us and I'm happy to chat more over the phone should that be easiest.

Many thanks!

Best,

Simone
