**Subject:** Waivers for wellness centers

---

Tony, the Lt. Governor would like to meet with you on Tuesday morning to talk about the waivers that were recently denied for wellness centers. He has received a couple of emails about this issue. Can you come over around 10:00 am and bring everything you have across the state for this issue? Thanks.

Marie Waller  
Chief of Staff  
Lieutenant Governor McGill's Office  
(803) 734-2080
