Great, thank you!! Would 10 cases be a possibility? It would be great to have them delivered here on Dec. 1. Thank you!

Oh sure – how many cases will you need? And should we deliver to your office the SH that day?

Amy,

Hope you are having a great week! Today, at the Carolighting meeting, Kelly brought up the possibility of providing bottled water at the event. She was considering purchasing a few cases, but we wanted to check with you to see if any could be sent from PRT for the event and reception. Thank you so much for all of your help!!

Thank you,  
Haley
