Addendum to Question 34 of the Senate Personal Data Questionnaire

Question 34 asks for a list of five individuals willing to provide letters of reference. These letters are required by the Senate before they will consider a nomination. It is the responsibility of the nominee to contact and request a letter of reference from each individual and include the letters with the application materials when they are mailed.

Tips and Guidelines for Letters of Reference:

1. *It is required by the Senate that one letter come from your banker.* This requirement is somewhat outdated in that, in an era of ATM's and online banking, a good number of people do not have a direct personal relationship with a bank employee anymore. A letter from a branch manager or account manager stating that the banking relationship is sound and that accounts are in good standing will suffice.
2. *Try to get letters from as many different perspectives as possible.* Avoid requesting letters from the same type of individual. For example, letters from a colleague from work, a pastor or fellow church member, a fellow member of a civic or community organization, and a longtime neighbor would give a well rounded perspective of a nominee's involvement in the community. Letters from a nominee's attorney, insurance agent, doctor, or personal friends are also acceptable— anyone with whom the nominee has a longstanding relationship. It is even better if they are a prominent member of the community.
3. *Letters should be addressed to the South Carolina Senate in the following manner:*

South Carolina Senate
State House
Columbia, South Carolina

Dear Ladies and Gentlemen of the Senate,
4. *Length and content.* Letters should be brief – one page or shorter. Letters should let the Senate know who the author is, the author's relationship with the nominee, how long the author has known the nominee, and any other relevant information necessary to provide a good reference.
5. *Nominees are responsible for collecting letters of reference.* Nominees should ask that letters of reference be mailed or delivered directly to them. Once all letters are collected, they should be mailed to the Governor's Office with the rest of the application materials.

*****Please note: Letters need to be included in your complete application packet, which is returned to the Governor's office. *****
