Christian—

FYI, the remaining contingency in the Bull Street contract with Hughes Development Corporation is an acceptable Development Agreement between Hughes and the City of Columbia.

It was announced in the paper today that such a Development Agreement is being made public today, and will be the subject of two Public Hearings in July. <http://www.thestate.com/2013/06/24/2832941/columbia-reaches-key-agreement.html>

We are hopeful that the City Council will give final approval, and sales of parcels will begin later this year.

Thanks for forwarding. I suspect they'll post a copy of the DA later today.
