I have that documented in one of Sanford's budgets. I can try to locate that.

Also, give me the information on the restructuring commissions that have recommended an appointed Supt. of Education.

Senator,
Below is information from CS.
Thanks, KV

Sen. Matthews' line of questioning yesterday got me wondering...how do test scores compare in states with a constitutional requirement to elect the Superintendent vs. states where the Governor appoints and the Senate confirms the Superintendent?

I just ran the numbers...turns out they do better in all 4 major categories (4th and 8th grade reading and math) in states where the position is appointed.
