Dear Governor Nikki Haley:

My wife and I request that you support and approve legislation that allows residence from other states such as Georgia with a state issued weapons permit be honored by South Carolina allowing these law abiding citizens to legally carry firearms when traveling in SC. Also please work with the other states representatives to ensure that reciprocate will be granted to SC residences. I was a certified law enforcement firearms instructor for 20 years and retired from the U S Coast Guard Reserves, so I have extensive experience with firearms and training people in using firearms.

Thank you for your public service.

Sincerely,  
Wayne Drown
