1. File 23.362A / Road S -272 / Greenville County

During construction of improvements on I-385/Road S-272, under File 23.362A in Greenville County, near the Town of Simpsonville, the Department acquired right of way for Road S-272, by Title to Real Estate from Tyler E. Waterford & Bernice C. Waterford dated February 28, 2003.

During negotiations to settle a difficult acquisition case, the Department agreed to convey 1/2 of the adjacent surplus parcel (0.23 of an acre) in order to construct a new driveway as payment for the new right of way needed. Therefore, a Gratis Quitclaim Deed for approximately 0.23 of an acre of land to Mary B. Tibbetts was executed on August 13, 2003.

2. File 40.468A / I -26 / Richland County

During construction of improvements on US Route 176 (Broad River Road), under File 40.468A in Richland County, near the Town of Irmo, the Department acquired right of way for US Route 176 (Broad River Road), by Title to Real Estate from J. Rodney Hall & Lake Wylie Marina dated September 14, 2000.

During negotiations to acquire new right of way for the above project, the Department agreed to convey upon completion of the project, a small portion of the access road that is surrounded by the Grantee's property, as partial credit for the new right of way needed. Therefore, a Gratis Quitclaim Deed for approximately 0.62 of an acre of land to Southland Log Homes, Inc. was executed on August 13, 2003.

3. File 41.246 / Road S -136 / Saluda County

During construction of improvements on Road S-136, under File 41.246 in Saluda County, near the Town of Saluda, the Department acquired right of way for Road S-136, by Deed to Right of Way from L.M. Grigsby Estate dated May 9, 1949.

A request was received from the Resident Construction Engineer from District Two asking the Department to convey a small portion of abandoned right of way, due to the relocation of Road S-136, to the adjacent property owner. This action will keep the agreement previously made by the district office during acquisition. Therefore, a Gratis Quitclaim Deed for approximately 0.09 of an acre of land to Marion Frye was executed on August 20, 2003.

4. File 41.103 / Road S-136 / Saluda County

During construction of improvements on Road S-136, under File 41.246 in Saluda County, near the Town of Saluda, the Department acquired right of way for Road S-136, by Deed to Right of Way from B. Frank Long dated May 4, 1949.

A request was received from the Resident Construction Engineer in District Two asking the Department to convey any right of way that is not needed to the Grantee due to the relocation of Road S-136. Additional right of way was acquired from the grantee for the relocation of Road S-136. This action will keep the obligation previously agreed to by the district office during acquisition. Therefore, a Gratis Quitclaim Deed for approximately 0.73 of an acre of land to Lowell B. Herlong was executed on August 22, 2003.

5. File 37.532 / US Route 123 / Oconee County

During construction of improvements on US Route 123, under File 37.532 in Oconee County, near the Town of Seneca, the Department acquired right of way for US Route 123, from L.Q. and Mozelle Holland by Deed to Right of Way dated October 22, 1955, and from Orange M. Machen by Deed to Right of Way dated August 24, 1955.

A request was received from an adjacent owner asking to purchase a small piece of right of way. The request was circulated to the Engineering sections to determine if said parcel could be declared surplus. After review it was determined that the parcel was surplus to Department needs. Therefore, a Quitclaim Deed for approximately 0.30 of an acre of land to Piedmont Properties Management Company, Inc. was executed on August 26, 2003 in consideration of \$35,937.00.

6. File 15.404 / US Route 17 & Road S-14 / Colleton County

During construction of improvements on Road S-14 Relocation, under File 15.404 in Colleton County, near Green Pond, the Department acquired right of way for Road S-14 Relocation, by the Beltline Act accepted into the SC Highway system on September 1, 1931.

A request was received from Colleton County asking the Department to convey a portion of the old abandoned right of way of Road S-14 Relocation near Green Pond for the purpose of constructing a solid waste collection facility. Since the county acquired the adjacent property and the Department's only interest in the right of way is by dedication, an agreement was reached whereby the Department would convey a parcel of surplus right of way to the county to improve their access and the function of their property. Therefore, a Gratis Quitclaim Deed for approximately 0.14 of an acre of land to Colleton County was executed on September 2, 2003.

7. File 22.632 & 22.571 / US Hwy 521 / Georgetown County

During construction of improvements on U.S. 521, under File No. 22.632 in Georgetown County, between the Town of Andrews and the City of Georgetown, the Department acquired 1.33 acres of land and all improvements, from Cornell C. Green (AKA) Cornell C. Greene by Title to Real Estate dated November 13, 1997.

A request was received from an adjacent property owner, asking the Department to sell a small piece of surplus property. The request was circulated to the Engineering sections and after review it was determined that the parcel was surplus to Department needs. Due to the original acquisition of the property this office contacted the original owner and offered him the Right of First Refusal, which he declined. Therefore, a Quitclaim Deed for approximately 0.98 acres of land, to Mr. James A. Geathers was executed on September 2, 2003 in consideration of \$4,900.00.

8. File 7.579 / Road S-589 / Beaufort County

During construction of improvements on Road S-589 Relocation, under File 7.579 in Beaufort County, near the Town of Port Royal, the Department acquired right of way for Road S-589, under The Construction Act dated November 18, 1971 and from the Heirs of Susie Middleton by Condemnation dated November 16, 1998.

During negotiations to settle a difficult acquisition case, the Department agreed to sell any surplus right of way that is not needed back to the Grantee at the same price the Department paid the Grantee for the new right of way needed for the project. Therefore, a Quitclaim Deed for approximately 0.54 of an acre of land to Henry R. Padgett, as Trustee of the Henry R. Padgett Revocable Trust was executed on August 26, 2003 in consideration of \$27,510.60.

9. File 29.376 / SC Route 9 / Lancaster County

During construction of improvements on Road S-51, under File 29.376 in Lancaster County, near the Town of City of Lancaster, the Department acquired right of way for Road S-51, by the Beltline Act (167) dated June 28, 1945.

A request was received from District Four, for an adjacent property owner, asking for assistance in clearing an encroachment on the abandoned right of way of Road S-51. Due to a surveyors error the location of the right of way was not known to the owner and a structure was built in 1975, which encroached and clouded the title to their property. Research has shown that the Department only has dedicated interest in the right of way, which will not justify the Department receiving payment. The request was circulated to the Engineering sections to determine if said parcel could be declared surplus. After review it was determined that the parcel was surplus to Department needs. Therefore, a Gratis Quitclaim Deed for approximately 0.42 of an acre of land to Michelle W. Bragg and Eric Wilson was executed on September 8, 2003.
