Subject: Overview of Governor's Recommended Budget for DHHS for FY 13-14

Ted, I have prepared the attached to give a "one page" overview. Would you please advise me if this accurately reflects the recommendations of the Governor, the sources of funds, and the use of those funds?

I don't have Christian's email address, so please forward to him.

Thanks for your assistance. It looks like the DHHS hearing will be next week, and I want to have a package of documentation to facilitate the subcommittee's understanding of the Governor's recommendations. Given the various sources of revenue being used to build the budget for next year, I felt it would be helpful to try to get it all on "one page", and in a format we all can agree with.

Thanks.
