Rep. Bingham,

I am sorry you had to step in, but I appreciate it. Unfortunately, we do not have the ability to change the outcome at this point. He needs to go to the hearing on 3/10 and plead his case. Staff has reiterated that to him. They will call him and remind him of his appointment on Wednesday. I am following this matter closely for you and Mrs. Shuler. I plan to attend his hearing and will update you as soon as possible. Thanks you!  
Sally

John...no need for you to have to contact Gov. Haley, I'm doing that for you. Myself and my staff are doing everything we can to assist you. Unfortunately, we do not have the ability to change your outcome. Hopefully, this email will generate all the attention you need.

Take care,  
Kenny

Ms. Shuler,  
I have not been contacted from anyone at D.E.W.. I find this very disrespectful. I am in a very bad way but it seems as if no ones cares. I have contacted Yourself, Ms. Foster, and Rep. Bingham. I do not want to pull this care because I like to take care of myself. But, I am a very good friend of the Governor Haley. I have known her for over ten years and served with her husband in the military. If D.E.W. can not figure things out. I will be in the Governors office.  
I have depleted all my savings and all my retirement. I have nothing and had to turn in my vehicle because I could not make the payments. D.E.W. has ruined my credit by causing it to drop 300 points.

Please help me in this problem,  
Sincerely,  
John Sprawls

Mr. Sprawls,

I have just left a message for Ms. Foster also in order to see if we can find some answers to your new concerns.

Sincerely,

Jane

Ms. Foster,

I am very perplexed. I spoke to one of your agents Friday about a fact finding, with the company of SMX and Amazon. I was told that this would be the last thing. Today, I received a notice that I was having a hearing about over payment, voluntary quite ( for good cause ) Discharge for cause. This hearing is supposed to take place on 03/10/2016 @ 2:00 pm. Now, I just just do not know what to do. One minute I am told one thing and then the next I am informed of something else. I am so tired of dealing with DEW, because I am never told what is going on or why. I have expended my savings and now my retirement. I was a Police officer for 20 years and in the National Guard for 10 years. In all my public service to the state I have never been wrapped up in such a quandary. I have attempted to call you on several occasions, and left voice mails but I have not heard anything back. Could you please look into the matter for me and please let me know which way I need to pursue.

Sincerely,  
John Sprawls
