Subject: Governor availability today?

Chaney,

I'm sure you are getting blasted with requests today!

Are you issuing a statement or confirmation regarding the AP's report that the Gov. has officially been chosen as US Ambassador to the UN?

If the Governor has availability for local media interviews today, we would love to be included.

My anchor, Diana Watson, would love to do a one-on-one interview with her. Diana and Gov. Haley have done a few interviews together over the years.

But if Gov. Haley instead does a group interview or news conference to hit everyone at once, please let us know!

Sincerely,

Kelly Boan
