CHECK IT OUT! This photo was taken at Myrtle Beach State Park on July 4, 1951. Not quite as crowded as this same beach will be tomorrow. You can still see the CCC-built boardwalk that was destroyed by Hurricane Hazel in 1954. Enjoy the journey back in time!

Mandi Ellis Lovely picture... I would definitely go to MB if it was like this now. Unfortunately its not so we so south. FB, IOP and SI are some of our faves... Thanks for sharing:)

Myrtle Beach for Families <3 The Myrtle Beach State Park is this family's most favorite place in the world. If they'd let us live there, we would!
