Good afternoon,

Sorry we have been playing phone tag today, but I was able to find out a little more about business related matters in the Office on Aging. Jordan Newman is the person that you should contact about your question, and her number is 803-734-9900. The Lieutenant Governor would still like to speak at the beginning of the Convention, on April 22. The only people that I know of that will be in attendance with him is his Chief of Staff, Danny Varat, myself, and his security detail. As per your question regarding the Governor's attendance, I am uncertain, but I have heard that he will be speaking in Lexington that morning but have no way of confirming that information.

Thanks for your help,
