Subject: Invitation from the Manhattan Institute (following up)

Good afternoon, Brian:

As I promised during our conversation on Thursday morning, I've attached a formal letter of invitation to Governor Haley from our President, Lawrence Mone. We'd be honored to host the Governor for a talk on the important topic criminal justice reform here in New York sometime in July, which you indicated would probably work best.

If you would be so kind as to pass this along to Mr. Godfrey, as well as to the Governor's scheduler, we would be most appreciative. Please don't hesitate to reach back out to me to further discuss a potential event, and what that might look like. Thanks again for taking the time to speak with me last week. We look forward to the Governor's response.

Kind regards,

-Ralf Mangual
