Columbia, SC 29201-3740

Dear Governor Haley and Mr. Haley,

As a special friend of Coastal Carolina University, you are cordially invited to attend a presentation by Stacie Nevadomski Berdan on November 12, 2014, at 7 p.m. in Wheelwright Auditorium. A noted expert on globalization and international careers, Ms. Berdan is a distinguished executive and an award-winning author who appears frequently in the national media. She will speak on "Getting Yourself Ready to Succeed in a Globalized World" as part of Coastal Carolina University's HTC Speaker Series. The purpose of the series is to bring to campus notable visiting speakers who contribute to the exchange of ideas on significant issues of interest to our students, faculty, staff and community.

This presentation offers a unique opportunity to unite three initiatives. The HTC Speaker Series brings visionaries from around the world to offer insights unavailable in our local community. The Spadoni College of Education Forum Series advances our mission to support the development of all our students as global citizens. And CCU's observance of International Education Week promotes the goals of the U.S. Department of State and U.S. Department of Education to prepare Americans for a global environment.

This event is made possible through the generous support of HTC Inc. and the Spadoni College of Education Board of Visitors.

I hope you will be able to attend this enlightening event.

Sincerely,

J. Ralph Byington, Ph.D.
Provost and Senior Vice President
for Academic and Student Affairs
