Sounds like a great candidate

Please provide me his contact information and I will reach out to him

I will also plan to reach out to Chuck Whipple - Chuch was the Economic Development Director for Lexington County and now serves as the Executive Director of the Enterprise Campus Authority (Midlands Technical College).

Hi Bill-

Last night I came up with a potential African American board member that you might want to consider. His name is Willis Ware. He is the longtime Director of community relations at Heathwood Hall and believe he is a Lexington County resident. I believe he has all of the qualities that you are looking for. Kay
