I just wanted to follow up on the paper. Were you able to find anything?

Madison,

I left you a voicemail earlier, but also wanted to follow up by email. I'm working on the Certificates of Election for the newly elected Reps to the US House of Representatives. This certificate will need to be signed by both the Governor and Secretary of State when completed. I have a form with Mr. Hammond's and Ms. Haley's signatures already on them, but since the House clerk wants original signatures, I'm trying to find a form with blanks for the Governor's and Secretary of State's signatures. Do you have anything like that? It would need to have the "by her excellency" language at the top since it's the Governor's signature with the Secretary countersigning. If you don't have anything with both signatures, do you have anything with a blank for the Governor's signature? I might be able to include in the Word document a signature line to be printed for Mr. Hammond's signature. Please let me know whether or not you think you have anything that would work. I'd be glad to come and pick up some copies if that's easiest for you. Thanks!
