>> Steve - I hope all is well with you and your getting ready for a good weekend. Could you or one of your staff members please reach out to my dear friend and constituent Ed Hammond 1-803-920-3573(cell) & his email CC'd above - you may also know him because his wife Jan Hammond is on the Lexington Richland School District Five Board - he is with a company 101 Mobility that does a lot that helps a lot of the aging population and I would like for him to meet with you or the appropriate folks in your office as soon as possible. Thanks very much for your time and for all you do and again have a great weekend!
