Tony,  
I am happy to answer for you if you like. I do answer the ones that we receive in our office. I have never answered one that came to your office, but again, I am happy to take on that task if you like. Just let me know.

Thanks,  
Julia

Julia,

It was my understanding you answered FOIA requests for the agency. Am I mistaken?

Hi Tony,  
I am not sure I'm communicating effectively on this. Specifically, I was asking if you need my advice or research in answering this foia. As it appears it is due either tomorrow or Friday ( I don't have the exact date), my understanding is that you do not need me to research anything. And for clarity, I am not answering this foia. My understanding is that someone from your office is answering it. Therefore, I am taking this off my list of things to do. Should you need any action from me on this though, please let me know. Otherwise, I'm checking this one off.

Thanks,  
Julia

Hi all,

Please let me know if I need to do anything concerning your FOIA asking for meal numbers. I believe it is due sometime at this end of this week (though I do not have it in front of me to have the specific date).

Thanks,
