Dear Governor Haley:

While many Politicians i do not approve of, you are one i do. Former U.S. Senators Tom Coburn and Ron Nickles of Oklahoma were also politicians i respected and voted for. My lifelong favorite Presidents were Truman, Ike, Kennedy, Ford and Reagan.

Bush started a costly 2nd front in Iraq without counting the cost in lives and wealth of our Nation.

Obama pulled out prematurely and without wisdom leaving modern weapons for the start up of I.S.I.S. "Isis is as Isis does".

Our Nation fought so called Communism in south east Asia and consequently pulled out of Vietnam without "Victory".

In the Holy Bible, it is said of Ishmael, considered to be the Father of Arabs, "He is a wild ass of a man, striking out at whom-so-ever he will, even his brethren." H.T.V.

Now, World Concern should be on the Middle East and the enemies of Israel. "Descendants of Abraham, Isaac and Ishmael, half brother sons of Abraham."

Russia is well aware of the State of Israel. Her friends are Syria and Iran, enemies of Israel.

The World, today, does not adequately honor God. In vain is His Name taken by too many.

Christians are asked to co-exist with all false religions. God's

attitude was not so, per
the Old Testament.

Yes, we are to
"Love our enemies for God is
Love. If Love of God was the
priority and love of self
lastly then the World would
be a better place.

The "Love of Money
is the root of all evil." KJV

This is the main
reason some seek higher
office, not the welfare of their
fellow citizens.

Too many innocents
are dying daily in all parts
of the World today. "If His
eye is on the sparrow," I
know this evil is before
His Eyes.

Today, i saw and
heard these verses read from
the Book of Ezeziel: chapters
38 and 39 KJV.

The U.N. or some other body is now claiming the Jewish People have no claim to the Temple Mount and the "Wailing Wall."

History tells us that Lawrence of Arabia promised Jerusalem to the Arabs to get them to fight the Turks. The Bayfort? agreement set up Jordan as a land and home for the Palestinians. Yasser Arafat started trouble in Israel when he migrated there with the P.L.O. after being kicked out of Jordan.

It also did an editorial in the Palestinian newspaper, the day of 9/11. This was publicly read and sold hours before 9/11 in NYC, how Hamas had taught the U.S. a hard lesson in Beirut

causing the ⁵death of 250 U.S.
Marines ~~as~~ they were
sleeping and the Marines
keeping guard were ordered
to keep their weapons un-
loaded. yet Yassir Arafat
had freedom to come and go
at the Clinton Oval office.

Bye now.

Yours Truly

a South Carolinian
since Christmas 2013.
