Subject: Local Upstate Native, Brooklyn Garrett Competing for Miss South Carolina!

Hi Kevin!

I hope you are doing well.

I am graduating from Clemson in May. I'm so honored to be representing the Upstate at Miss South Carolina this June. If I win I will have the opportunity to continue my work with other first generation college students like myself. I want to help more students to apply for college, to access resources, and timelines. My goal is for each student to use their education to impact local communities.

I have a big vision and I really would be grateful for your support in helping me make this possible. I have been trying to find a way to get in touch with Molly Spearman to discuss legislation for first generation students. Could you help me make this happen?

Feel free to call me after my last classes get out 5pm, or during my break from 2:40-3:20PM. I can also speak later or another day this week if you have any questions or suggestions for me in making this connection. I'll be in Columbia on April 18th and I'd love to see if she'd have time to meet on that day.

My best,

Brooklyn Garrett
