Guidance here please.

Guy's deadline is tonight. Just reached out to me.

Doug, Thanks for the call. I want to know what part, if any, the S.C. governor's office is playing in negotiations with the Catawba Indian Nation regarding a possible casino they would open just across the border in North Carolina. I understand a representative from our governor's office met with someone in your governor's office about this.

Thanks

John
