Subject: Re: Berkeley County Convention

Good afternoon.

We are excited to hear that the Lt. Governor would like to endeavor to attend our county convention. We are honored.

It is my understanding the Dorchester and Berkeley Counties will be having their County Convention on April 22, 2017. Unfortunately, our Berkeley County Convention is scheduled to start at 10:00 AM, not 9:00 AM. Our registration starts at 8:30 AM, but we would want to ensure people have a chance to register and then to listen to the Lt. Governor. The Executive Committee already voted on the date, time, and location pursuant to the SCGOP Rules. As a result, I cannot change the time as Chairman.

Is there any way we could do 10:00 AM? We would truly love to have the Lt. Governor attend if at all possible.

Best regards,

Bruce L. Gonzalez

Good afternoon,

My name is Hayden Grooms and I am contacting you on behalf of Lieutenant Governor Kevin Bryant. I am contacting you to get some information on the Berkeley County Convention scheduled for next month, April 22. We are trying to attend as many county conventions as possible in order to speak to local parties about local issues. I understand that the Berkeley County Convention starts at 9:00 AM, but we are also hoping to address Horry County's convention, which begins at 10:00 AM. It is my hope that the Lieutenant Governor will be allowed to address Berkeley's convention at the beginning of the meeting so that we have enough time to make it to Horry County's as well. Please let me know if the above request can at all be accommodated.

I sincerely appreciate all that you are doing for the Republican Party, and as a native of Berkeley County, I appreciate your service to the lowcountry.

Sincerely,

Hayden Grooms
