Kerry,

I have attached a summary of services for your review based on your request. I have also attached the supportive information for the UI processes which breaks down the types of services and the method of delivery.

Thank you,

Good afternoon,

We need the survey you were discussing last week in Executive Committee. The Governor's Office is asking us for a "grid" that shows the states and how they deliver ES and UI services. I was also hoping to include data on unemployment rate, UI claim numbers, population statistics, the number of counties and the number of Workforce Centers.

How long before we could get that?
