THE RESPONSE PLATFORM VALUES:

We value the Word of God

Therefore we will pray mostly the prayers in the Bible.

We value exalting Jesus

Therefore we will not promote our ministries or products.

We value humility

Therefore we will adhere to our allotted time and will constrain ourselves physically so as to not draw attention to ourselves.

We value edifying others over expressing our cultural preferences

Therefore we will not speak in tongues or sing in the spirit from the microphone.

We value and respect those who are in political leadership

Therefore we will seek to bless them in our prayers and refrain from political commentary.

We value a servant attitude

Therefore we will be available the entire day and we will accept changes in schedules and roles.
