Subject: Quote from Haley spokesman on CON lawsuit

---

Quote from Rob Godfrey, Haley spokesman:

"Legislators have long wrapped small amounts of funding for good programs around large amounts of money for bad to stop fiscally responsible governors from being able to budget thoughtfully. But let's be clear - the legislature agreed with the governor by sustaining her veto, and state government has spoken with one voice: it's time for us to move past a bureaucratic program that makes health care more expensive and harder to get for South Carolinians."
