Dear Friends,

If I haven't sounded the alarm loud enough yet, [POLITICO](#) again reported this weekend on the growing threat amassing by the Democrats for this year's special elections and general election. The players for the Democrats are organized and include: Eric Holder at the National Democratic Redistricting Committee, Barack Obama, Joe Biden, Planned Parenthood, the League of Conservation Voters, and the Democratic National Committee. And the icing on the cake reported by [POLITICO](#), "...the Forward Majority super PAC has promised to put \$100 million into state races."

Spread the word.

Sincerely,

Matt Walter  
President  
Republican State Leadership Committee
