FYI

Sad that these guys are not using any local contractors. In the past Gov. Haley has told our members to notify her office when no locals contractors are hired, as that is one of the areas she addresses when recruiting companies.

So, I wanted to share.

Thanks!!

Leslie

All,  
Enclosed is the letter published on the website of the 3 shortlisted teams: Conti, Flatiron and Kiewit.  
A July 7 debriefing is noted in the RFQ. The DOT will likely contact Goodson with the scheduled time. I know this is in conflict with Goodson's schedule, so the DOT may be open to a new date if asked. Please let us know the status of the debriefing schedule, D&F will want to attend.

We appreciate everyone's help on this proposal and look forward to future opportunities. It was a pleasure working

with each of you.

Thanks,

Brice
