Subject: Quote for today's release

Brian,

Just wanted to circle back around on the Governor's quote for today's Project Glass release. We're targeting a 2:00 PM distribution if that still works on your end.

"It's a real reason to celebrate any time a company decides to establish operations within our borders. We offer our congratulations to CDI for announcing this \$4.8 million investment and the creation of 83 new jobs and look forward to watching them thrive in the Rock Hill community." –Gov. Nikki Haley [DRAFT QUOTE / TO BE APPROVED]
