March 10, 2015

The Honorable Nikki R. Haley  
Governor of South Carolina  
Office of the Governor  
1205 Pendleton Street  
Columbia, SC 29201

Dear Governor Haley:

I hope the Republican Governors Association event a couple of weeks back was a success and I wish I could have been there to see you.

As you know, women continue to be one of the fastest-growing groups within the NRA, bringing a vibrant new energy that is shaping the future for all who care deeply about our Constitutional rights afforded by the Second Amendment. In particular, the NRA Women's Leadership Forum, a group of influential and philanthropic women leaders from across the United States, is leading the way. In addition to various activities and programs throughout the year, our annual NRA Women's Leadership Forum Retreat each fall brings these dedicated, bright, spirited women together under one roof for a weekend of advocacy, philanthropy, dialogue—and plenty of fun.

**I wish to extend an invitation to you to serve as a keynote dinner speaker for the next NRA Women's Leadership Forum Retreat, to be held Friday, October 9, and Saturday, October 10, 2015, at the Broadmoor in Colorado Springs, Colorado. You and your family are welcome to join us for one evening or for the entire weekend; we are glad to accommodate your schedule.**

Our influential women guests would be delighted and honored to hear from you; many are already devoted supporters of yours. Please visit [www.NRAWomen.tv/2014Summit](http://www.NRAWomen.tv/2014Summit) to view some of the photos from last year.

Campbell Smith in the NRA Office of Advancement will be in touch with you and your staff to determine your availability. Or, you may contact her directly: Campbell Smith (703) 267-1570 or [csmith@nrahq.org](mailto:csmith@nrahq.org).

Thank you again, Governor Haley, for your extraordinary commitment to protecting our Second Amendment freedoms. Your leadership is making a profound difference in our country!

Sincerely,

Susan M. LaPierre  
Co-Chair  
NRA Women's Leadership Forum
