Governor Haley,

My name is William Murray. Governor Haley Department of Social Services has taken my two grand baby girls from my daughter, and myself, for child abuse. Governor Haley, we did not do this! We explained to DSS, exactly what gave our baby the bruises she had, but they don't want to listen.

Mrs. Haley my 5 year old grand baby went through a living hell at the hands of the

piece of trash father.  
I would never allow  
this child to be mistreated  
by anyone! They both  
are my heart, and  
soul. Governor Haley  
we have spent almost  
\$ 3,000 already to prove  
we are innocent, and we  
have just got started.  
Do you know how hard  
it is for a disabled  
Marine Veteran, to come  
up with money like  
that? Governor Haley  
we need help with  
this corrupt DSS.  
We did not do this!

Our babies need to be  
at home with us, where  
they are loved very much!  
We did not abuse our  
baby Governor Haley.  
But no one will listen!  
Help us, You are a  
mother, you know what  
it would be like to  
lose your baby. And we  
have done nothing!!  
Thank You Governor  
Haley, for any and  
all help. You are a  
Great Governor!

Sincere Regards,  
William H. Murray
