I saw Gov. Haley on FOX. Is there any chance she would do anything on CNN?

I wanted to follow up about getting Gov. Haley for a one on one interview with Erin Burnett tonight. We would like to make the interview the focus of our show tonight and discuss Gov. Haley's strong thoughts on what happened in Charleston and what should happen to the suspect

We can pretape it when convenient in her schedule and air at 7pm et live

I am very happy that law enforcement found Mr. Roof. Let us know if Gov. Haley would like to speak to Erin on this terrible tragedy

Chaney and Rob,

I wanted to extend my deepest condolences about the terrible crime in Charleston over night

I was wondering what Governor Haley's schedule looked like today and if she would be available for an interview with Erin tonight. I also wanted to know if there is someone within the South Carolina law enforcement team who you think we should have on the show tonight

Thank you,

Bob
