Thank you so much for your kind reply of November 8th. I have several additional questions that you will find below. I trust you will again answer them in a prompt and straightforward manner.

1. What is the number of beneficiaries per company, by month? What is the official term of those beneficiaries?
2. What is the rate (or dollar amount) for each company, by month, which it pays per eligible beneficiary?
3. What is the reason for the significant increase to both companies in the month of August?
4. What is the reason for the increase in the month of July, August, September and October?

I thank you again for your service.

With regards,

Sincerely,

John M. "Jake" Knotts, Jr.
