Quote from Haley press secretary Chaney Adams, "Governor Haley has been in touch with Governor McCrory, and she has offered any assistance should North Carolina need it."

ON BACKGROUND: The governor spoke to Governor McCrory on Wednesday and Thursday. She also has spoken with South Carolina law enforcement and asked them to stay updated on the ongoing situation in Charlotte. York County EMD has a long-standing mutual aid agreement with Charlotte-Mecklenburg if assistance is required, but no specific support requests have been made to SCEMD or York County EMD at this time.

Chaney,

Has Gov. Haley been in contact with N.C. Gov. Pat McCrory at all today or over the past few days regarding the protest/riot/state of emergency situation occurring in Charlotte? If so, can you provide any details of their discussions and if Haley offered any state resources for assistance?

Gavin
