ASTRONOMY PROGRAM

AT OCONEE STATE PARK

An introduction to basic Astronomy!
Participants will learn how to use a star wheel and other simple tools to identify stars, planets and additional celestial objects. Visitors will also learn to identify some of the more prominent constellations and the mythology behind them.

WHEN	September 21, 2019, 8:45 p.m. – 10 p.m.
WHERE	Bathhouse by Swimming Area
DETAILS	Bring a flash light, red bandana, and binoculars. Designed for ages 5 to 95. Those 12 years of age and younger must be accompanied by an adult.

Vanessa Hensley This would be awesome but can't do on such short notice. Would love to see more programs about the stars at more parks. I know there would be a ton of great spots to spread a blanket and stargaze at #scstateparks
