Josh: Thanks for the email!

The week of March 28 is a little tight at the beginning of the week because of business travel, etc. However, we are available Wednesday, March 30, 10-4 p.m. Of course we won't meet that long, but I wanted to give you that time frame to work in. If you left Columbia around 8:30, you'd be here about 10. Our second choice would be Friday, April 1, pretty much all day. Let me know what you think. We look forward to meeting with you. Thanks!

Dean,

Looking at session schedules and some feedback you have given Holly on your availability, is there time the week of the 28<sup>th</sup> for her and I to come down?

Thanks,

Josh
