Just wanted to follow up on this. Would you still be working with the ambassador. Are you the best contact for her going forward to schedule interviews?

Good evening Rob,

Hope this mail finds you both doing well. Wanted to reach out and see if you two will be going with now ambassador Haley to her new position. Would I still be reaching out to the both of you to schedule an interview with her or would you be able to point me in the right direction as to who I could speak with.

We would like to schedule an interview with her.

Thank you both very much.
